OKULUS DESK

THE OKULUS DESK IS THE DEBUT FURNITURE PIECE IN THE OKULUS SERIES OF “SPACE-WITHIN” DESIGN PRODUCTS FOR THE HOME. CONSTRUCTED AS A CABINET UNIT (ALSO CUSTOMIZABLE AS A 2-DRAWER UNIT), IT DEVIATES FROM A TRADITIONAL DESK VIA ITS PEEPHOLE, DESIGNED ON THE EXTERIOR TO GUIDE YOU TO A MINISCULE, INTERNAL STORYTELLING PORTAL CONTAINING A MOBILE VISUAL SURPRISE. IT’S A REALITY-DEFYING VIGNETTE THAT EXISTS INSIDE THE FURNITURE.

SHOWN HERE IS THE INTERNAL MOBILE SHARK SCENARIO, VISIBLE THROUGH A WRISTWATCH TALISMAN DISGUISED AS THE FLUSH PEEPHOLE.

MADE FROM SOLID TIMBER, THE OKULUS DESK FEATURES AARDVARK INTERIORS’ SIGNATURE SEGMENTED JOINERY REINFORCED WITH HARDWOOD SPLINES.

THE OKULUS DESK’S FACES ARE CONSTRUCTED FROM METICULOUSLY SELECTED TIMBER SLABS, RE-SAWN INTO THIN STRIPS AND ARTFULLY ARRANGED INTO A CASCADING HEARTWOOD AND SAPWOOD GRAIN COMPOSITION.

SHOWN IN BLEACHED MAPLE/HINGED DOOR
